

3 THINGS YOU CAN BE A PART OF

THANK GOD FOR WHAT HE'S DOING AT CONCORD.

We are at an amazing moment in our church. We are impacting not only hundreds but thousands of people. Very few churches ever get to do this. Our church ministers to you personally and to your family, which allows you to then go minister to your friends and neighbors. We have an opportunity to share Jesus to the communities of the 865 area code.

OWN THE VISION.

What do we mean when we say, "own the vision?" We believe deeply that God is calling us to INSPIRE PEOPLE TO FOLLOW JESUS. We must truly believe that God cares about the lost people of our communities and He is calling us to reach them. This gospel burden is our most important next step in living out what God has called us to as a church. We want you to begin praying about what God would have you to do as your part in the Faithful Pursuit initiative: "Lord, what do you want to do in and through me?"

INCREASE YOUR GENEROSITY.

We believe the financial capacity of Concord must expand for us to be able to fund this vision. It will take every family in our church sacrificially committing to this project for it to be successful. We are asking you to join us in this effort to fulfill the vision of inspiring people to follow Jesus.

AN ACTS 9:31 CHURCH

"So the church throughout all Judea and Galilee and Samaria had peace and was being built up. And walking in the fear of the Lord and in the comfort of the Holy Spirit, it multiplied."

FAITHFUL PURSUIT

**EVERY INCH.
EVERY DAY.
EVERY AGE.**

WE HAVE A LOT TO CELEBRATE BUT THE TRUTH IS, WE HAVE BARELY BEGUN.

God has been faithful to our church for generations. This church has been built upon those who focused more on the future generations than on preserving a monument to the past.

Our ministries and buildings are testimonies to the faithfulness and passion for the lost of the generations that have gone before us. You can see this on our campus, from the flattop buildings constructed on the weekends by church members to the children's building built with the forethought of a future addition. This church is a demonstration of a people's passion for God and for reaching their community.

We're putting some action steps in our generation alongside the action steps of previous generations. We're trying to stand tall in a collapsing world and pursue the Lord as this church has done faithfully for over 100 years.

A NEW SEASON OF GROWTH & IMPACT

God is blessing our church through this current challenging season of life and ministry. We are navigating a worldwide pandemic and maintaining momentum by starting new groups, connecting with new people, seeing families join the church, and seeing lives changed through baptism. To celebrate, since 2019, we've had 573 people join our church family and have baptized 320 people!

We are seeing people come to faith in Christ, join our church family, and make a substantial difference in our community. We believe God is moving us to a new season of growth and impact!

STEPPING INTO OUR CALLING

Our vision is to see the area code 865 1% less lost by 2030. This means our goal is to inspire 7,700 people to follow Jesus! To do this we need to:

BECOME A CATALYST FOR HEALTHY CHURCHES

BE A CHURCH FOR AREA CODE 865

BUILD STRONG, BIBLICAL FAMILIES

CHAMPION A BIBLICAL WORLDVIEW

This strategy will lead us to mobilize the church to multiply disciples that live inspiring lives.

THE PLAN

We're excited to watch God continue to move and believe this project is a major part of His plan for our church.

How are buildings a part of God's plan?

We understand that buildings allow the ministries to accomplish the work that God is calling us to do. Some of the the areas we have renovated have not been updated for over 20 years and the advances in technology and design have led those areas to be left behind. We are pursuing a goal to have all of these spaces be used for reaching, teaching, and ministering to the people we are trying to see follow Jesus. The renovation focus of Phase 1A included three main areas:

THE WORSHIP CENTER

THE GATHERING SPACE

THE PREPARATION DOCUMENTS NEEDED FOR REMAINING PROJECTS IN THIS PHASE

Faithful Pursuit will aim to pay these three projects in full within 12 months. This cost will be \$4.5M. We believe we need to complete and fully fund this project in 1 YEAR so that we can have no debt as we move forward.

We believe these improvements will allow us to become a training ground for Christ followers, pastors, and missionaries that God would call to the ends of the earth.

THE TIME IS NOW

God has perfectly placed us at this time in our community, in this season of our church, and in this season of your life. There are no accidents in the economy of God.

THE HEART OF MAN PLANS HIS WAY, BUT THE LORD ESTABLISHES HIS STEPS.
